FOR IMMEDIATE RELEASE:

### **Third Wave Systems Invited to Join Technology Network Alliance**

Minneapolis, MN--- Third Wave Systems, Inc. has been invited to join the Technology Network Alliance (TechNet), an international CAE organization. TechNet was founded in 1998, in recognition of the need for a forum in which CAE professionals could exchange ideas and experiences in order to advance the application of CAE technology. The TechNet Alliance now has nearly 40 member companies in North America, Asia and Europe. Participation in TechNet is by invitation only and the group meets formally twice a year to learn about new technology and to share experiences.

“Joining the TechNet Alliance is an important part of our globalization strategy. We’re excited to be affiliated with such a reputable group of companies” remarked Kerry Marusich, President of Third Wave Systems. To learn more about the TechNet Alliance, visit [www.technet-alliance.com](http://www.technet-alliance.com).

Founded in 1993, Third Wave Systems provides machining modeling software and services used by Fortune 500 aerospace and automotive companies to dramatically reduce costs in product design and manufacturing. Headquartered in Minneapolis, Minnesota, Third Wave Systems also has offices in Detroit, Michigan and major distribution in Japan and Europe.
